Apprenticeships

Visit [apprenticeships.gov.uk](https://www.apprenticeships.gov.uk)

This higher and degree apprenticeship listing showcases hundreds of vacancies from various employers starting in 2021 and 2022. The best news is that if you are still considering your options, you can apply for these apprenticeships and a full time place at university at the same time.

Higher and degree apprenticeships are widening access to the professions, and across all sectors, including STEM (Science, Technology, Engineering, Mathematics). They are bringing together the very best of higher and vocational education. You can see what the levels mean below.

Name	Level	Equivalent educational level
Higher	4, 5, 6 and 7	Foundation degree and above
Degree	6 and 7	Bachelor's or master's degree

Degree apprenticeships give you the opportunity to attain a degree or professional qualification from some of the best universities and providers, whilst training in a top flight career. Your training is paid for by your employer and the government, so there is no cost to you. You will also be earning a salary from day one.

To view roles you are interested in, visit www.apprenticeships.gov.uk and head to 'Become an apprentice'.
