- (a) Select your pathway or a mixed pathway
- (b) Choose the equivalent of three courses across three option pools - or a combination from both pathways subject to entry requirements and option pools
- (c) Further Mathematics students need to choose a Pure option pool and an Applied option pool and two other A Level courses (do not select Mathematics, this is part of the Further Mathematics lessons)
- (d) Students with exceptionally high academic performance can request to study four different courses across four different option pools
- (e) Students that have not achieved at least Grade 4 in either English or Mathematics will continue to study these subjects in the Sixth Form
